

English Translator

BMP Translations AG, based in Basel, Switzerland, is seeking a **professional in-house English translator** with experience in **banking/financial, pharmaceutical/medical** or **technical** fields.

Your profile:

- Native speaker of English with a language degree and/or a diploma in translation
- Several years' experience as an in-house or freelance translator
- Experience of translation memory software (SDL Studio required, Transit NXT an asset)
- Excellent knowledge of German is essential
- Very good knowledge of French and/or Italian an advantage
- A business-minded approach
- A team player who stays calm even when faced with tight deadlines
- A flair for writing and editing

We offer:

- The fascinating challenge of working for a broad cross-section of clients
- The chance to be part of our friendly team of language professionals
- A competitive salary with attractive fringe benefits
- A pleasant workplace in the heart of Basel

Starting date and salary to be discussed.

Please send your complete application to:
